

God Was With Him

How was your week?

What is meant by God's presence?

How does God show His presence?

What do Christians mean when they talk about the presence of the Lord?

What helps you to be aware of God's presence in your life?

How do you enter God's presence?

What part in the life of Joseph relates the most to you? Why?

Why are we told so many times that God was with him?

Are you able to see God working in your life?

(If so would like to share?)

If you do not see God working in your life, why?

What are 3 lessons you were able to learn from the life of Joseph?
